Declaration of Compliance

Hereby we confirm, that our following product

PAPSTAR Art.-Nr. 11709

160 Cocktail drinking straws "Invitation" Ø 8 mm · 15 cm clear "Black & White" striped

complies with the legal regulations laid down in the German Commodity Ordinance (or the respective stipulations laid down in the European Regulations on Plastic materials) as well as Regulation (EC) No. 10/2011/EG (incl. modifications) and No. 1935/2004, both in their relevant versions.

When used as specified, the overall migrations as well as specific migration do not exceed the legal limits. The test was performed according to the Regulation (EC) No. 10/2011/EG.

The materials and raw materials used comply with the German Commodity Ordinance (or the respective stipulations laid down in the European Regulation No. 10/2011/EG (incl. modifications)).

There are no "dual use" additives used in the above mentioned product.

Specification of the intended use or limitations:

- Types of food intended to come into contact with the material:

Normal food, beverage, shake, slush and liquid drinks that are not caustic.

- Types of food NOT intended to come into contact with the material:

Caustic food or drink

- Duration and temperature of treatment and storage while in contact with food:

10 days, 40°C, tested

- Ratio of the area of food contact material to the volume used to determine the compliance of the plastic food contact material or article: 6

Because a functional barrier made from plastic is used in the above mentioned product, we confirm the compliance with the special stipulations of the German Commodity Ordinance (corresponds to Regulation (EC) No. 2002/72; Article 7a (2), (3), (4)).

This declaration is valid for the product delivered by us as specified above. The Directives 82/711/EEC and 85/572/EEC provide a guideline for the selection of test conditions to be used for various food products. According to that and under consideration of the food contact conditions stated, the product complies with the stipulations of these Directives regarding the packaging of food products to be packed. The user shall verify himself that the product is suitable for the intended food to be packed beyond the stipulations of the Directives.

In particular it is emphasized that in case of printed material, non contact is allowed between the printing ink and the food product.
