

## Food datasheet

# Declaration of compliance for EU-regulation 1935/2004/EU

<b>Abena article number</b>	133017,133018
<b>Declaration of compliance</b>	By declaration of conformity the manufacturer has guaranteed that the raw materials used for mentioned products are always of the same kind. Furthermore, the manufacturer guarantees that changes in raw materials and production methods will be informed to ABENA in due time before these changes come into force to enable the necessary tests according to 1935/2004/EU and 10/2011/EU to be carried out.
<b>Overall migration tests</b>	Total overall migration test is conducted according to 10/2011/EU, EN 1186-1:2002, EN 1186-9:2002. Test conditions: +40°C without time limit, and up to 2 hour at +70°C. Test Simulants: Acetic acid 3%, ethanol 50%, olive oil. The products comply with migration limit for 60 mg/kg/10 mg/dm <sup>2</sup> .
<b>Specific migration tests</b>	The specific migration test have been conducted according to the current legislation. The products comply with the current legislation.
<b>Heavy Metal</b>	The product do not contain lead, cadmium, chrome or mercury in amounts that exceed 100 ppm. Tested according with 94/62/EF.
<b>Dual use additives</b>	The products do not contain Dual use additives
<b>Traceability</b>	The products are labelled to enable a quick sorting and withdrawal. The traceability is adjusted to each product within raw materials, inner and outer packaging.
<b>Migration test for surface and volume area</b>	6 dm <sup>2</sup>  The production facilities for the above-mentioned products comply with the regulations for good manufacturing practice (GMP) directive 2023/2006/EU.
<b>Good manufacturing practice (GMP)</b>	
<b>Conclusion</b>	We guarantee with this statement that the above-mentioned products comply with the Danish declaration no. 822 and the EU regulations 1935/2004/EU, 10/2011/EU and 2023/2006/EU, provided that the product are recommend for use as intended:  - for all food at temperatures up to +40°C without time limit, and up to 2 hour at +70°C.
